

A COMMUNITY CONVERSATION

FUTURE of BRISCOE MIDDLE SCHOOL

Mayor Michael P. Cahill will be hosting a community meeting to discuss future reuse opportunities for the Briscoe Middle School. The meeting will take place **Tuesday, June 26th from 6:30 PM to 8:00 PM at the Senior Center, 90 Colon Street.**

The Briscoe Reuse Committee appointed by the Mayor was asked to determine whether or not there is an opportunity for the City of Beverly to repurpose the property for municipal uses such as administrative offices or public safety building. Following a detailed review of the property and City needs the Committee determined that the school for municipal purposes was not a feasible option and recommended the school be considered for other non-municipal uses.

Please join the Mayor to learn about the City's core values in considering reuse of the Briscoe Middle School and take the opportunity to provide your thoughts on what should be considered for its future use.
